EVERY MEAL A POISONOUS INJECTION

Few folks suffering from kidney and bladder troubles ever think that the meals which they are taking are poisoning their health. Every morsel of food taken gives up its quantity of uric acid. This uric acid is taken into the system through a diseased condition of the kidneys and bladder. In the healthy man nature provides an outlet for this poison. Those in ill health must take a medicinal help to drive this death-dealing poison from the system. For over 200 years GOLD MEDAL Haazlem Oil Capsules have been doing this work. They effect prompt relief in all diseases arising from kidney and bladder troubles. Don't put off this vital matter of attending to your health until it is time to make your funeral arrangements. Get a box of GOLD MEDAL Haazlem Oil Capsules today. Look for the genuine. Your druggist sells them. They are guaranteed, or money refunded. Insist on GOLD MEDAL Brand.—Adv.

LADY PINK TOES HAS HER INNINGS

There is no excuse today for women to have ugly, painful corns

For a few cents you can get a quarter ounce of the magic drug freezone recently discovered by a Cincinnati chemist.

Apply a few drops of this freezone upon a tender, aching corn or callus and instantly, yes, immediately, all soreness disappears and shortly you will find the corn or callus so loose that you lift it out with your finger and the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet just seem to shrivel up and fall off without hurting a particle. It is almost magical.—Adv.

Mrs. Amina Burnham, who has been working in Morrisville for the past few months, returned home last Saturday morning.

While Hardwick is not making any great splash about its going over the top in its third Liberty loan quota, we feel safe in venturing to predict that she will "go over." The hands on the clock now point to a little over \$30,000, with \$24,000 to secure, and with the scouts working hard this week, the only expected time they have to work, it is expected that the \$54,000 will be raised by next Saturday night.

The cases of German measles are getting as numerous as the veritable old expression, "as hairs on a dog," and are interfering not a little in the school work, but as yet no serious cases have resulted, but coming as it does near the close of the school year, it makes the work harder.

One or two of the teachers are afflicted with it too.

The Liberty loan address at the opera house last Thursday night was one of the most stirring appeals, especially to Hardwickians, to go "over the top" that it has ever been our pleasure to listen to, the speaker being George S. Dalgety, field manager of the Redpath chautauqua system.

He made an appeal for the raising of our quota, referring to the fact that the 50 odd boys who have gone from this little town to the front or to camps ought to be worth \$1,000 apiece and it was up to us to see that we went over in grand shape when the books are closed on May 4.

Judge W. H. Taylor acted as chairman of the evening. Miss Gertrude Davis sang two solos and the boy scout orchestra rendered excellent music. The scouts attended the rally in a body, but their numbers were somewhat depleted on account of the epidemic of measles.

The patrons of the Jeudevine library will be pleased to learn that at a meeting of the board of library trustees held at the Memorial building last Saturday evening, it was decided to open the building for the reading public for the summer next Tuesday, May 1.

The boy scouts were called into service last Saturday afternoon to help fight a forest and grass fire about a mile above the village on the road to East Hardwick.

Rev. Charles Wattie has consented to take up the work of the junior scouts provided enough of the boys show an inclination to attend the meetings. The next meeting will be held at the scout room this week Friday evening at 7 o'clock.

At a special meeting of the Hardwick branch of the Red Cross, held at the Memorial building last Saturday afternoon, Mrs. Rose G. Taylor was elected as a delegate to a meeting to be held at St. Johnsbury soon to organize a county chapter, which will have entire charge of the Red Cross work in this county and thus bring the town branches into closer touch with headquarters.

Mrs. Bertha Cobb was elected alternate, and the president of the branch will also attend, the expenses to be paid from the treasury. At this meeting Dr. Harold F. Taylor made a few remarks regarding the cleanliness and importance in the counting and folding of the surgical dressings.

Summer E. Darling, Jr., chairman of the finance committee, gave a detailed account of the finances of the local branch and explained what we would have to do in the coming drives.

Miss Gertrude Davis rendered a vocal solo and also sang a duet with Mrs. Elsie Carrick. Much to the regret of all, Mrs. Harriet B. Moulton tendered her resignation as president of the local branch, and Mrs. Inez Balentine was elected to fill the vacancy. There were three candidates nominated, Mrs. Balentine, Mrs. Mabel Bingham and Mrs. Rose G. Taylor.

Mrs. Balentine receiving 31 votes, Mrs. Bingham 16 and Mrs. Taylor 4. That Mrs. Balentine will fill the office accepted.

A RAW, SORE THROAT

Eases Quickly When You Apply a Little Musterole.

And Musterole won't blister like the old-fashioned mustard plaster. Just spread it on with your fingers. It penetrates to the sore spot with a gentle tingle, loosens the congestion and draws out the soreness and pain.

Musterole is a clean, white ointment made with oil of mustard. It is fine for quick relief from sore throat, bronchitis, tonsillitis, croup, stiff neck, asthma, neuritis, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches in the back or joints, sprains, sore muscles, bruises, chilblains, frost-bite, colds on the chest (it often prevents pneumonia). Nothing like Musterole for croupy children. Keep it handy for instant use.

ably goes without saying. She thanked the members for the honor and made a short appeal for more workers, as there is an increasing demand for all kinds of work which goes out every month from all branches of the Red Cross.

Louise felt compelled to give up the work on account of her health and owing to the fact that she will not be here all the time during the summer. She was given a rising vote of thanks for the work she has accomplished while she has been in office, or since the organization of the local branch.

Harry Shorey, who has been employed by the Woodbury Granite company as electrician for several years, is preparing to move to Sharon, N. H., where he has employment.

J. A. Kennedy has a position in the Fairbanks works at St. Johnsbury and will move to that place in the near future.

The library will open Thursday, May 2.

WASHINGTON

The mite society will be entertained Wednesday evening at schoolhouse hall by Mrs. W. O. Hutchinson and May Dickey. Supper from 6 to 8. Everyone welcome.

The books for the soldiers and sailors have been sent and the state wishes to thank the people of Washington for their interest in this campaign. It may be said also that there were 70 books in all received.

The library has received \$25 worth of state aid the past year as usual and has also added the following books recently: "All in It" (Jan Hay), "Carry On" (Coningsby Dawson), "Foes of Our Own Household" (Theodore Roosevelt), "Under the Red Cross Flag" (Mabel T. Boardman), "My Four Years in Germany" (James W. Gerard).

Women Find Clear Skin In Simple Laxative

A sense of false modesty often prevents women from admitting that many of her ills and disorders are due primarily to constipation.

But women who know themselves have learned that headache remedies and beautifiers only cover the trouble but do not dislodge it.

What is needed is a remedy to move the bowels and stir up the torpid liver. An ever-increasing number of sensible women take a small dose of a combination of simple laxative herbs with pepsin known as Dr. Caldwell's Syrup Pepsin and sold by druggists under that name.

It will save a woman from the habitual use of headache remedies, skin lotions and similar makeshifts. Once the bowels are emptied and regulated, the headache and the pimples and blotches disappear. It is the rational, natural method.

A bottle of Syrup Pepsin lasts a family a long time, and all will find use for it from time to time. Thoughtful people are never without it in the house.

The druggist will refund your money if it fails to do as promised.

NO INCREASE  
In spite of enormous increased laboratory costs due to the War the manufacturers of Dr. Caldwell's Syrup Pepsin are sacrificing their profits and absorbing the war taxes, so that this family laxative may remain at the pre-war price of 50c and \$1. B. Caldwell, 465 Washington St., Monticello, Ill. If you have babies in the family send for a copy of "The Care of the Baby."

BEECHAM'S PILLS

When your head aches, it is usually caused by your liver or stomach getting out of order. These "sick headaches" quickly disappear as soon as the stomach is relieved of its bilious contents. Right your stomach and regulate and tone the liver with Beecham's Pills, which rapidly improve conditions and promptly
